WORK EXPERIENCE

Asterisc Technocrat Pvt. Ltd., Nagpur, India

- Software Developer** **11/2022 – Present**
 - Collaborated in the development of a web-based application using JSP, Servlet, Spring Boot, and Hibernate, leveraging Java EE technologies and related frameworks.
 - Demonstrated ability to apply Java fundamentals in practical projects and manage databases using tools like MySQL.

Pixel Key Studios, Nagpur, India

- Graphic Designing Intern** **06/2021 – 12/2021**
 - Assisted the design team in creating visual assets for digital and print materials, utilizing Adobe Creative Suite to produce high-quality designs that aligned with brand guidelines.

PROJECTS

- Edu-Link (Online Education Web Application)**
 - Collaborated with team members to develop a user-friendly web app with three modules (teacher, student, and admin), streamlining course management and communication.
 - Increased course offerings and engagement by implementing course creation and enrollment features, resulting in a 20% boost.
 - Improved student satisfaction by 25% with course-related video viewing and teacher communication features.
 - Leveraged Thymeleaf, JPA, and Java Spring Boot to build the web app.
- Critique It! (A Movie Review Website)**
 - Developed a user-friendly website with easy navigation that enables searching for movie reviews by name.
 - Simplified the movie rating process with a scale of 1 to 5 stars, review title, and comment section, resulting in increased user engagement and feedback.
 - Utilized HTML, Bootstrap, JSP, Servlet, and MySQL to build the website.

CERTIFICATIONS

Asterisc Computer Institute, Nagpur, India

- **Full Stack Java Development Industrial Training**

- Completed a Java industrial training program with a focus on Java SE and Java EE technologies, developing practical skills in Java programming and object-oriented concepts.
- Gained hands-on experience in Java application development using popular frameworks such as Spring and Hibernate, resulting in improved proficiency and technical knowledge.

EXTRA CURRICULAR ACTIVITIES

Director of Winning Skit Competition Team

- Successfully led a team of performers, winning first place in the skit competition, showcasing exceptional directing skills, creativity, and teamwork.
- Demonstrated strong leadership skills in guiding participants to deliver their best performances and maintaining a positive and inclusive environment.
